Service Policy

Information is provided for educational purposes only. See disclaimer(s) on the service page and on davelandry.com.

Vacations/Travel: I rarely take vacations but do occasionally have business related travels. Usually during these times, I remain "on screen." However, there could be service interruptions during these (and other periods) and/or abbreviated services. Should there be extended complete outages (more than 2 weeks in one year) members will be extended for that period. This time will be added to the end of the term for clients who pay by credit card or check. Because of limitations in Paypal subscription system, this time can only be added during an upgrade of the subscription (or after the subscription has been terminated).

There are no refunds. Potential clients should carefully read disclaimers. Further, they should study past 5-7 years of archives. Although past performance is no guarantee of future gains (and other disclaimers), this data should give the potential client a good feel for what to expect, both good and bad.
